IMPORTANT INFORMATION
- Before ordering or installing, please consider future access to equipment.
- Add bedding compound to fully level and support bottom of tub.
- Tubs equipped with an air bath or a pre-leveled foam base are designed to rest on the floor without bedding compound, provided the floor is level.
- Overall tub height is increased by approx. 2-3" when tub is equipped with any air bath package or when pre-leveled foam base or framing system is ordered.
- Please measure tub on-site before building tub decking.
- Jet, pump & blower locations are predetermined and cannot be changed.
- Suction and control locations may vary.
- Specifications and configurations are subject to change without notice.
- Measurements are ± 1/2" and are subject to change without notice.
- Measurements herein supersede all others published prior to publication date shown below.
